KASMIR

FABRICS + FURNISHINGS

Dear Valued Customer,

As of March 23, 2020 at 11:59 p.m. all non-essential businesses in Dallas County will be forced to close until April 30 in an effort to slow the spread of COVID-19.

Your sales rep is still available for any assistance you may need.

You may also place orders online and we will fulfill those orders as soon as we can resume normal warehouse & workroom activity. Rest assured we will work extra hours to fill your orders as quickly as possible once our warehouse re-opens.

We appreciate your continued support during this time of crisis.
